

November Kindergarten Newsletter KC

November is here and the jack-o-lanterns we carved are but a memory. Did you know that the children gave suggestions and then voted on the jack-o-lantern faces? We used tally marks and did some counting by fives. We then counted the seeds by putting them in groups of ten. Mrs. Cornish's pumpkin had 532 seeds and Mrs. Cooper's had 258. What a lot of counting!

This month we will continue working on our key words and writing letters of the alphabet. We will begin using some number words and will be working on patterns in math. In religion we will discuss all the people God has given us to love (ourselves, parents, neighbors etc.). We will also be concentrating on being thankful for all our many blessings.

Our Book It turkey form is included. Let's see if everyone can get a turkey on the Book It chart by the end of the month!

Many thanks to all (especially Maranda Humston—our Room Mother) who helped make the Halloween Party such a success! Also attached is the class list of names and addresses we talked about at conferences.

Good Deed Headbands

The children will make an Indian headband at school (be sure to look at the pattern your child made for the headband decoration). Six construction paper feathers will be sent in the home folder next week. They are to do a "good deed" for someone. You will write on the feather what the good deed was and for whom. Your child can then bring the feather back to school, and the paper feather will be exchanged for a "real" one to go on their headband. More information will be sent home with the feathers.

Special Days

Nov. 24 & 25

We do have school

Nov. 26, 27 & 28

Thanksgiving Break

Parent Readers

Nov. 7 - Ryan Graves

Nov.14 - Hillery Harlow

Nov.21 - Maranda Humston

Dec. 5 - Chuck Harlow

Dec. 12—Shellie Humphrey
