

Health Alert

At the start of the 2011 school year, all health records must be in the school office in order to begin the school year. This includes updated immunization certificates, physical exams, and vision exams for the appropriate students. The only exception is if your 6th grader has their 11th birthday after school begins. For those children, please have them in the office no later than 2 weeks after they have turned 11 years old. If you have questions please call Karen Walsh at 491-1512. Thank you for your cooperation in this matter.

Pre-K updated immunization certificate and vision exam by an Ophthalmologist and Optometrist.

Kindergarten updated immunization certificate, physical exam and if not on file a vision exam from an Ophthalmologist or Optometrist.

6th grade an updated immunization certificate and physical exam.
