

July 2011

Dear Parents,

Greetings! We are so excited to introduce a new, more efficient way for our Shamrock Families to prepare for the upcoming school year! We will have all registration forms needed for the upcoming school year online at www.stmarthaschool.org. These forms are available now, through registration on August 10, 2011. You have the opportunity to print and complete these out at your leisure and convenience. Each form is numbered and states if it is required by your specific family (ie: 1 per family, 1 per student, etc.).

So, just to clarify, there will be no registration packets in the school hall as in past years. All forms should be printed online. If you have any questions, feel free to call the school office.

Sincerely,

Cathy Guizio
Principal
